

'SMALL' CANOE & KAYAK TRAILERS

A Product of:

(4 boat trailer shown with optional stacker posts)

Standard Features:

- ◆ Dimensions and weight rating:
 - ◆ Width of rungs 36"
 - ◆ Vertical clearance between rungs 24"
 - ◆ Overall length 16'- 7"
 - ◆ Overall width 6'- 6"
 - ◆ Overall height (w/o stacker) . . . 2 boat: 30", 4 boat: 4'- 7½ "
 - ◆ G.V.W.R. 2000 lb.
- ◆ Cargo box - heavy expanded metal (no puddles) :
 - ◆ Width 4'- 0"
 - ◆ Length (distance between trees) 6'- 0"
 - ◆ Depth (cooler compatible) 16"
 - ◆ Volume 32 cubic feet
- ◆ Heavy duty steel frame and expanded steel cargo box. 4 boat trailer weighs approximately 450 lbs. -- facilitates towing with smaller vehicles.
- ◆ Independent, rubber torsion suspension provides a smooth, quiet ride and a lower frame height.
- ◆ Easily lubed hubs -- lubricate all bearings without disassembly.
- ◆ Axle positioned for a stable ride and to prevent flipping when not attached to a vehicle (even when climbing on back end).
- ◆ 13" tires and white spoke wheels. Spare tire and wheel are standard. Sturdy metal fenders with closed backs.
- ◆ 1 7/8" ball coupler.
- ◆ Flip-up 6" jack wheel.
- ◆ Rung protection stripping made from durable, non-marring rubber. Protective end caps and two tie-down points on each rung.
- ◆ Window in rear of cargo box for long kayak paddles.
- ◆ LED tail/side marker lights. LED front marker lights. Lighted license plate holder. 4-wire plug (flat style).
- ◆ Color: Gloss black.
- ◆ Designed by a company that uses them daily -- us.
- ◆ Registered with National Highway Traffic Safety Administration.

Prices:

2 boat 4 boat
\$2295 \$2495

Trailer boat capacity indicates canoe capacity (number of rung spaces) -- kayak capacity is normally double this number.

Option Prices:

- ◆ 2" ball coupler n/c.
- ◆ 20" stacker posts (without this option the top rung provides a full width, flat, uninterrupted top surface) \$50.
- ◆ Bungee cords \$4/boat.
- ◆ 8 foot bed upgrade \$100.
- ◆ Custom trailer configurations as quoted.
- ◆ 'Standard' Canoe and Kayak Trailers are also available with 4, 6, 8, & 10 canoe capacity. Heavier duty with most of the standard features listed here and more.
